Discount

DISCOUNT FOR ONE-TIME PAYMENT OF ANNUAL FEES BEFORE JANUARY 31ST

5%

Does your payroll consist of 1 or 2 employees and do you want to pay the annual fee to Celery in one single payment? This is possible and if you pay before January 31st, you will receive a discount of 5%. Please notify us no later than December 15th if you wish to qualify for this discount for the next year.

Optional

IMPLEMENTATION FEE

\$15

Celery is built that way that you can easily set-up your own payroll. However, if you need help, the Celery staff is always happy to assist you. We can provide you with assistance by being physically at your workplace or online assistance. Celery will determine the procedure that is most suitable for your situation. The implementation fee is USD 15.00 per employee with a minimum of USD 60.00 per assignment, in which minimum fee the first four employees are included. So if your payroll consists of 5 employees, our implementation fee will be USD 75.00. For a payroll of 2 employees, our fee will be USD 60.00.

CELERY BASIC TRAINING

\$275

Celery is built that way that you can start working immediately. However, if you do want more explanation through a training for yourself, or for your employee(s), then Celery can provide this training. This training will take 4 hours and our fee is USD 275.00.

Fees mentioned do not include 6% Government Tax (if applicable).

All our fees are in USD, allowing you to pay online by credit card.

Of course, it is also possible to pay our invoices by bank transfer.

Our standard payment term of invoices is within 14 days.

Payroll Services Providers

VERY PROFITABLE PAYROLL SERVICES PROVIDER FEES

ON REQUEST

If you, due to the nature of your company and services, are processing payrolls for your clients you may be eligible for our profitable (lower) Payroll Services Provider fee rates. This rate depends on the number of payrolls you process. Please contact us for an appropriate Payroll Services Provider fee proposal.
